INQUIRY REGARDING DUPLICATIVE  
CHARGE FOR ISSUE FEE

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant writes to inquire regarding the duplicative issue fee charged by the United States Patent and Trademark Office (USPTO) for the above-referenced case on March 29, 2005.

The facts as understood by the Applicant regarding payment of issue fees for the present case are as follows:

1. A first Notice of Allowance and Issue Fee Due was issued by the USPTO on December 8, 2003. The then-current issue fee for a small entity, \$665, was paid on January 23, 2004. A copy of the transmittal for payment of the first issue fee is attached as Exhibit A.

2. A Notice of Withdrawal from Issue under 37 C.F.R. § 1.313(b) was mailed by the USPTO on April 21, 2004. Applicants did not send a written request for reimbursement of

the first issue fee payment. There is no record in the file of any reimbursement from the USPTO of the first issue fee.

3. A second Notice of Allowance and Issue Fee Due was issued by the USPTO on December 28, 2004. In the time period between the first and second Notice of Allowances, issue fees for a large entity increased from \$1330 to \$1400, a difference of \$70. Issue fees for a small entity increased from \$665 to \$700, a difference of \$35. *The second issue fee transmittal requested payment for the difference in fees between the first and second Notice of Allowances for a large entity. The second issue fee transmittal did not request payment for a full issue fee.* Applicant intended to pay the \$35 difference in issue fees for a small entity on March 24, 2005. This is reflected in the copy of the transmittal for payment of the second issue fee is attached as Exhibit B.

4. Instead of withdrawing payment for the \$35 difference in issue fees for a small entity from Deposit Account No. 20-1430, the USPTO withdrew payment of \$1365 on March 29, 2005.

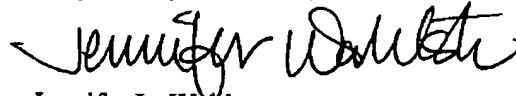

5. The withdrawal of \$1365 for the second issue fee appears to be in error. It appears that the present charge of \$1365 duplicates the first payment of the issue fee, and charges the fee for a large entity. Therefore, the USPTO is respectfully requested to return funds in the amount of \$1330 to Deposit Account No. 20-1430. Applicant will then have paid a total of \$700, the posted issue fee for a small entity.

6. If the USPTO has withdrawn the duplicative charge because Applicant did not specifically request in writing that that first issue fee be applied to payment of the second issue fee, the withdrawal of \$1365 is still incorrect. As a small entity, Applicant owed a total payment of \$700 for payment of the second issue fee. Applicant indicated small entity status on both the first and second issue fee transmittals. The transmittal for the second issue fee intended to pay \$35. Therefore, in withdrawing duplicative issue fees, the USPTO should not have withdrawn any more than \$665. In this case, the USPTO is respectfully requested to return funds in the amount of \$700 to Deposit Account No. 20-1430.
